Dear Friends,

It is my pleasure to present to you this wonderful selection of works for our 25th Anniversary catalog. I would like to personally thank all of you for your support over the years. Whether we met you in Atlanta, Beaver Creek, Charleston or Nashville, we are honored that you have entrusted us with your curatorial needs. We have always recognized that acquiring a luxury item like fine art should be an enjoyable experience and hope it shows in the service we provide. I look forward to many years ahead and please know that I am always available should you need anything at all, including a fishing companion or friend in a blind!

Sincerely,
